

CVS Health Pharmacy Technician Pre-Apprenticeship Program

The **CVS Pharmacy Technician Pre-Apprenticeship** Program is an unpaid 20-hour pre-apprentice classroom-based instruction over 2 weeks. Those that complete the pre-apprenticeship training are then eligible to apply and interview for an instore CVS Pharmacy Technician Internship. Successful completion of both will lead to the CVS Pharmacy Technician Registered Apprenticeship (RA) program. The CVS Pharmacy Tech RA is an 18-month paid training & work experience which culminates with the attainment of a federally recognized credential. Those selected into the CVS Pharm Tech RA will be credited 20 hours.

Qualifications

- **Must be 18 years of age**
- **Must have a High School Diploma or GED**
- **Have a 9th grade math & reading level desired**
- **Must be able to pass a drug test**
- **Submit to a criminal background check (No Felonies)**
- **Access to a computer with internet connection recommended**
