The Soft Spot

Soft skills are very important at work but are often intangible and difficult to quantify. Find out what the top 10 soft skills are and how to demonstrate them effectively.

Unemployment Online Claims Assistance

Need Help with your Unemployment Claims online? We can help! We are offering weekly computer lab sessions to assist you with your initial or weekly UI claims.

Please bring your work searches and report to the Resource Room on the 4th floor

Get Motivated!

This interactive and motivational workshop is aimed at using strategies to help you reach your goals on the journey to success.

Job Search in the 21st Century

Social media is a part of most people's everyday lives and can be a very powerful method to helping you find a job. From networking to researching potential employers, there are a few smart ways to use social media in your job search.

Interviewing

This workshop will discuss how to prepare and present yourself and your skills to make a great impression and tackle how to answer tough interview questions.

Intro to Computers

This hands-on workshop will cover skills such as how to use a mouse and keyboard, basic computer commands and navigating Windows.

Please report to the Resource Room on the 4th floor

Resume Critique

Please call for an appointment time at (414) 979-9211.

Mature Workers

This workshop gives you strategies for **mature job-seekers** who are over 50 and looking for work, not quite ready to retire, or want a job to supplement their retirement income.

LinkedIn

This workshop will give you the basics of LinkedIn, from creating to updating your account. Make the most of your online presence.

You will need an email prior to the workshop

How to Write an Effective Resume

This workshop focuses on the elements, styles, and formatting options for creating a "Results Driven" effective resume.

A resume will not be prepared in this workshop

Former Offender Pipeline

This is a two-week seminar that helps those re-entering the workforce after incarceration with job readiness, skills assessment, self-marketing tools, financial literacy, better decision-making skills and employment opportunities.

Choice, Change & Adjustment

This introductory workshop presents resources and info for you to increase your self-awareness, consider choices and begin the process of Career Exploration and Planning.
