

Hire with Potential.

Fidelity Bonding Program (FBP)

As an employer, you can change the future for hopeful job applicants who may not easily find work elsewhere. Job applicants with criminal backgrounds are often overlooked in the application process but they have proved to be hardworking, driven employees who will help your business operate and qualify you for the security benefits of a Fidelity Bonding Program (FBP).

FBP bonds protect you against losses in the event that the employee exhibits fraudulent or dishonest acts against you or your business. Examples of such

acts of employee dishonesty include: theft, forgery, larceny, and embezzlement. Employers receive the FBP bonds free-of-charge as an incentive to hire these applicants. Each FBP bond has a \$5,000 limit with \$0 deductible and covers the first six months of a selected individual's employment.

Your employment not only helps candidates continue their rehabilitation process, it also gives them a chance to prove themselves, earn a livable wage and put the past behind them.

Advantages Include:

- Paper-free sign up and submission for employers
- Easy, application with no formal bond approval process
- No federal regulations applicable to bonds issued
- No follow up or required termination actions
- No deductible paid if bond claim is filed by the employer
- The potential to change someone's life
- Hire a great employee with endless potential
