1. **Who are the national evaluators that the is Consortium working with for each grant?**

    Employ Milwaukee is not engaged with any presently; however that could change. AAI and America's Promise evaluators opted to not work with these Consortium grants.

2. **How are Consortium members reporting data for each grant? Are they using a common system or are reports being submitted manually?**

    Employ Milwaukee utilizes a comprehensive outcomes and case management tool from Social Solutions called Efforts to Outcomes (ETO). Consortium members have been trained to use ETO and are required to enter participant and employer information in ETO. Employ Milwaukee Business Intelligence staff conducts Quality Assurance and provides weekly and ad hoc reports, as needed. Consortium members submit quarterly narrative reports via email to the Consortium Project Manager/s.

3. **Will the selected organization be able to easily access data from participants in each grant?**

    Yes, the selected organization will have access to ETO reports via Employ Milwaukee's Business Intelligence team.

4. **Are there upcoming RFPs that will need to be released related to any of the grants?**

    At this time, there are no additional RFPs planned for release related to any of the grants.
